Lieutenant General Dean C. Strother  
Commander, Air University  
Maxwell Air Force Base, Alabama

Dear Doc:

I want again to express my thanks to you for arranging a two-week active duty tour for Major Walter L. Pforzheimer at the Air University. He feels that his tour was most worthwhile and greatly appreciated the many courtesies extended to him while at Maxwell.

In particular, Major Pforzheimer has brought back a glowing account of your new library building and the wonderful opportunity it presents to students at the University. I hope to see it sometime soon.

With kindest regards,

Sincerely,

*C. P. Cabell*
